

Optional Items

<p>Factory 5 Year Warranty Extend Full Coverage 2 Years Increase the factory warranty to 4 years parts and labor and 5th year parts only. Can be purchased up to 12 months from date of generator installation.</p>  <p><i>Standard warranty is 2 years parts and labor and 3rd year parts only.</i></p> <p>✓ <input type="checkbox"/> \$450.00</p>	<p>Advanced Wireless Generator Monitoring Kit Available on 8-20kW Models Provides remote monitoring capability for convenient indoor observation. Observe generator function, displays generator faults and warnings, allows for remote testing of generator start and transfer functions, remote setting of exercise time and day, monitor utility voltage & engine RPM. <i>Ask for details.</i></p>  <p>✓ <input type="checkbox"/> \$450.00</p>
<p>Alarm System Connection Connect your generator to your existing security alarm system to monitor faults. Your alarm co. adds a zone to your controller to indicate on your alarm panel if there is a generator fault, and we provide the connection and wiring to the generator controller. Alarm company can notify you when you're away. <i>Your alarm company must make the connections to their panel.</i></p>  <p>✓ <input type="checkbox"/> \$275.00</p>	<p>Auto Dialer System Stand alone remote notification device - monitors faults even when you're away from home. If a fault is generated, this will dial 4 pre-programmed #s and will play a recorded message (example: "This is the 20 kilowatt Generac generator at the Jones residence, 123 Jones Street, Glencoe, I am in need of service."). 1st call goes to GenX's monitoring system, other 3 numbers are your choice. <i>*Phone wiring may be additional.</i></p>  <p>✓ <input type="checkbox"/> \$450.00</p>
<p>Remote Status Indicator and "Buzzer" System Under normal conditions a green LED indicates the generator is in "System Ready" mode. In the case of a fault, a red LED will turn on and a buzzer alarm will sound. A silence button is included. Installed inside your home next to your new generator panel.</p>  <p>✓ <input type="checkbox"/> \$375.00</p>	<p>"Friendly Neighbor" Outlet For 7-14kW Models (standard on 17-20kW) Add a GFI outlet onto your generator, and your neighbors can use an extension cord to power their sump pump with your generator during a power outage. <i>This outlet is only supplied power by the generator when it is running.</i></p>  <p>✓ <input type="checkbox"/> \$150.00</p>
<p>Aluminum Enclosure Upgrade Available for 17kW Upgrade to an all aluminum enclosure which will not rust or pit over time due to the elements - prolongs the life of the exterior of the generator.</p>  <p><i>Available on 17kW only - comes standard on the 20kW. (special order item)</i></p> <p>✓ <input type="checkbox"/> \$400.00</p>	<p>Pre-Cast Concrete Pad Standard installations include a crushed gravel base. We now offer an upgrade to a pre-cast generator pad as a more attractive alternative.</p>  <p><i>Because the pad is pre-cast, there is no wait time for the concrete to set and dry. Rebar-reinforced for durability.</i></p> <p>✓ <input type="checkbox"/> \$250.00</p>
<p>Whole House Surge Suppression Add a surge suppressor to your electric panel to help protect against damage caused by surges originating from your utility power, as well as spikes caused by large appliances from within your home. <i>One surge suppressor per main panel is highly recommended.</i></p>  <p>✓ <input type="checkbox"/> \$200.00</p>	<p>Fascia Base Wrap Kit The fascia base wrap snaps together around the bottom of the air cooled Guardian generators. This offers a sleek, contoured appearance as well as offering protection from rodents and insects by covering the lifting holes in the base.</p>  <p><i>Only available in grey color. Standard on 20kW.</i></p> <p>✓ <input type="checkbox"/> \$75.00</p>

These options include installation but are available depending on the circumstances of your installation. Some additional costs may be required due to complexity factors. Please ask your salesman about each item you are considering to determine availability and cost.
